

# THE BEST JOBS IN THE WORLD

THERE'S NOTHING  
LIKE AUSTRALIA

## QUEENSLAND, AUSTRALIA

Job name:

# PARK RANGER

### Duties:

- Check the water temperature
- Patrol the beaches
- Leave only footprints

### Job description:

If you have an adventurous spirit, a connection with nature and a love of the outdoors, you're the person our national parks have been waiting for. We're looking to hire Queensland's next Park Ranger.

Queensland is a spectacular Australian destination with ancient rainforests, the world's largest sand island and the incredible Great Barrier Reef. Plus it puts on a lovely 200 days of sunshine every year.

As our Park Ranger, you'll be responsible for protecting and promoting our Australian native plants and animals, rainforest walks, spectacular waterfalls, untouched beaches, dinosaur fossils, indigenous culture and marine life.

This is a once in a lifetime experience, where no two days will be the same and you'll get paid to live a life most people only dream of.

So if you'd like to have Mother Nature as your new boss, get your application in today.
