

# THE BEST JOBS IN THE WORLD

THERE'S NOTHING  
LIKE AUSTRALIA

## WESTERN AUSTRALIA, AUSTRALIA

Job name:

# TASTE MASTER

### Duties:

- Eat your way around the state
- Forage out the finest produce
- Uncover the best bars and restaurants

### Job description:

If you have a palette for all things tasty, we have a job that will appeal to your senses.

Western Australia is known for its fresh produce, gourmet cuisine, world-class vineyards and quality micro-breweries.

We're searching for a Taste Master, someone with a passion for the study of food, who will be responsible for promoting the extraordinary produce from across Western Australia. You will tour the best restaurants, wineries, breweries, pubs and lobster eateries, while also heading off the beaten path to catch some of the freshest seafood on our undiscovered coastline.

You'll also master the art of wine and beer making along with discovering the finest indigenous delicacies.

It's a tough job, but someone's got to do it and it may as well be you. Apply today.
